

UMGC
COMMENCEMENT
2021

UNIVERSITY OF MARYLAND GLOBAL CAMPUS
2021 Spring Commencement

A Message from the President of University of Maryland Global Campus

Dear UMGC Graduates,

Congratulations! Commencement represents an important academic milestone, and you deserve to celebrate.

Today, we are honored to celebrate with you. While we cannot join you in person, I speak for everyone at University of Maryland Global Campus when I say that we are here with you in spirit—deeply proud of your every achievement and standing behind you as you continue to pursue your dreams and aspirations.

When you succeed in your studies and in life, we succeed in our mission, and it is truly an honor to welcome you as UMGC alumni.

Many of you are also active-duty servicemembers, veterans of the U.S. military, or medical personnel and first responders on the front lines in the fight against our global pandemic. We salute you and the many others who live lives of service, and we thank you for choosing UMGC to continue your education.

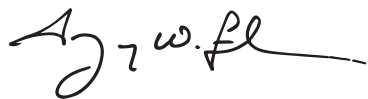

As UMGC graduates, you are each better equipped to lead—in your family, your community, your place of work.

Be brave, and know that we share your vision of a world that is better and brighter, safer and more secure, more peaceful, and more just.

Embrace that vision and let it lead you. Together, we can help to build that world for ourselves, our loved ones, and for all.

Again, congratulations to you and to all who share in this special achievement, whether in person or in spirit.

Sincerely,

Gregory W. Fowler, PhD
President
University of Maryland Global Campus

Spring 2021 Speaker

**BRIGADIER
GENERAL JANEEN L.
BIRCKHEAD '96**

ASSISTANT ADJUTANT
GENERAL (ARMY)
OF MARYLAND AND
COMMANDER OF
THE MARYLAND ARMY
NATIONAL GUARD

Brigadier General Janeen L. Birckhead serves as the assistant adjutant general (Army) of Maryland and the commander of the Maryland Army National Guard.

Birckhead received her commission as a distinguished military graduate of the Reserve Officers Training Corps (ROTC) at Hampton University. She has had several tours of duty in overseas locations, including Afghanistan. In 1994, she received an appointment to the Maryland Army National Guard. When she assumed command in 2018, she became part of Maryland's—and the country's—first National Guard command to be composed entirely of women.

Recently, Birckhead headed the 59th presidential inauguration and security mission as Task Force Capitol commander. She led the security efforts for Capitol Hill and the surrounding area, including the Supreme Court and Library of Congress, following the attack on the U.S. Capitol on January 6, 2021.

In January 2021, Governor Larry Hogan appointed her to lead Maryland's Vaccine Equity Task Force as part of the state's effort to ensure equitable distribution of the COVID-19 vaccines. She works with the state and local health departments to reach underserved communities and those with vaccine hesitancy.

Birckhead is also the deputy commanding general for Reserve Affairs at the U.S. Army War College. In her civilian capacity, she serves as a senior advisor in the Bureau of Trust Funds Administration in the Department of the Interior.

Birckhead graduated *magna cum laude* from Hampton University with a bachelor's degree in political science. She holds two master's degrees, one in management from University of Maryland University College (now University of Maryland Global Campus) and the other in strategic studies from the U.S. Army War College. Her military awards and decorations include the Legion of Merit, Defense Meritorious Service Medal, Army Commendation Medal, Air Force Commendation Medal, Army Achievement Medal, and NATO Medal.

The background is split into two main sections. The left section features a series of concentric, zig-zagging lines in a light beige color, creating a sense of depth and movement. The right section shows a close-up of a light-colored, possibly white or cream, fabric draped over a surface, with the underlying geometric pattern visible through the fabric's folds and shadows. The overall color palette is warm and monochromatic, consisting of various shades of beige, tan, and light brown.

SPRING COMMENCEMENT 2021
Graduates and Candidates

Doctoral Graduates and Candidates

UMGC initiated its first doctoral program, the Doctor of Management (DM), in fall 2000 as a scholar-practitioner-based program designed for experienced professionals who are working full-time and want advanced scholarship and practical learning. A concentration in Community College Policy and Administration was introduced in 2009 for community college faculty and administrators who aspire to advance in administrative careers.

In 2019, the management focus of the doctoral program was changed to the Doctor of Business Administration (DBA) to better reflect current business practice and needs. Students concentrating in management within the community college setting continue to earn the DM.

Doctoral students in both programs focus on learning ways to integrate their real-world professional experiences into their scholarly work. The programs encompass applied research, expanding leadership within the field of management, the integration of organizational management issues, and the critical role of information technologies. Most UMGc graduates pursue careers within local, state, or federal government agencies; private businesses; higher education administration (especially in community colleges); and nonprofit organizations.

DOCTOR OF BUSINESS ADMINISTRATION

HEATHER ANN CURREY

“Community Colleges: Organizationally Managing Enrollment Through Quality Services”

Dissertation Advisor: Laura Witz, PhD

ANGELA MARIE EVEN

“E-Leadership: Facilitating Positive Work Outcomes in Teleworkers Through Effective Leadership”

Dissertation Advisor: Mary Jo Anderson, DM

CHERYL E. NORMAN

“Implementation of Technology for Advising Services: Transformative Change in Enhancing the Student Experience and Outcomes at Community Colleges”

Dissertation Advisors: Jennifer Luddy, DM, and Lawrence Nespoli, DEd

BERNARD EMILE RIZKALLAH

“Organizational Knowledge Sharing on Enterprise Social Media: Leveraging the Motivation Factors”

Dissertation Advisor: Lisa Pearo, DBA

DORIS DANCHI TEYE

“Artificial Intelligence: Adoption and Impact on Funding Decisions in Donor Organizations”

Dissertation Advisor: Raymond Marbury, DBA

Academic Honors

Academic honors for excellence in scholarship are determined from the cumulative grade point averages (GPA) of students who are pursuing a bachelor's degree and have completed 30 or more credits with University of Maryland Global Campus. Students may earn the distinctions of *cum laude*, *magna cum laude*, and *summa cum laude*, which signify graduation with honor, high honor, and highest honor, respectively. Sometimes called graduation honors, these traditional academic designations are awarded at the time a baccalaureate degree is conferred.

The distinction of *summa cum laude* is conferred on students with a cumulative GPA of 4.000, *magna cum laude* for a GPA of 3.901 to 3.999, and *cum laude* for a GPA of 3.800 to 3.900.

Students who have earned the honor of *summa cum laude* wear gold cords as part of their academic regalia at commencement. Blue cords indicate the honor of *magna cum laude* and white cords *cum laude*.

Academic honors for May 2021 candidates are based on academic standing as of February 15 and are pending final degree audit.

★ Cum Laude ❖ Magna Cum Laude ✦ Summa Cum Laude

This commencement program lists the names of those graduates and candidates who applied for graduation by the February 15 deadline.

The background of the page is split into four quadrants. The left half features a complex geometric pattern of thin, light-colored lines forming a series of nested, overlapping shapes that resemble a stylized sunburst or a series of concentric, angular lines. The right half is divided horizontally: the top and bottom quadrants show a close-up of a textured, light-colored fabric with soft, flowing folds, while the middle quadrant is a solid white horizontal band. The text "2021 Scholarship Recipients" is centered within this white band.

Academic Degrees and Dress

History of Academic Degrees and Academic Dress

A DEGREE is awarded for successfully completing a course of study. U.S. colleges and universities now confer more than 1,600 types of academic degrees.

The first degree recorded in history was a doctorate conferred by the University of Bologna in the middle of the 12th century. Originally, the doctor's and master's degrees were used interchangeably, each indicating that the holder was qualified to give instruction to students. The bachelor's, or baccalaureate, degree indicated only entrance upon a course of study preparatory to a doctorate or mastership. Gradually, however, the bachelor's degree came to signify the successful completion of a level of advanced study preparatory to the higher degrees.

The associate degree originated at the University of Chicago, which began awarding it in 1900. Today's associate degree is typically awarded after two years of study and is often composed of coursework that may be applied toward a bachelor's degree.

In North America, the Bachelor of Arts (BA) was first conferred in 1642, on the nine young men who constituted the first graduating class of Harvard College. Yale conferred its first Bachelor of Arts in 1702; Princeton, in 1748; William and Mary, in 1753; Pennsylvania, in 1757; and Columbia, in 1758.

The Bachelor of Science (BS) was awarded to four graduates of Harvard's class of 1851; they were probably the first from any institution to receive that degree. Women in the United States first received baccalaureate degrees in 1841, when three women graduated from Oberlin College.

The master's degree has passed through various stages since its origin in the Middle Ages. During most of the first two centuries of U.S. collegiate history, the only master's degree awarded was the classic Master of Arts (MA). The University of Michigan offered the first Master of Science (MS) in 1858.

Throughout the 19th century, the Doctor of Philosophy (PhD) degree gained status in both Europe and North America. The first earned doctorates in the United States were awarded to three students at Yale in 1861. Johns Hopkins University was founded for graduate studies in 1876, after which more universities developed doctoral programs in varied disciplines but with requirements similar to the PhD.

THE GOWNS worn by participants in an academic procession indicate which academic degrees they hold. At the bachelor's level and above, the gown is usually black, but some universities use colored gowns. At UMGC, doctoral candidates wear red gowns; master's and bachelor's candidates wear black, and associate degree candidates wear the traditional gray gown.

The style of sleeve connotes the level of achievement: straight-bottomed sleeves indicate the associate and bachelor's degree; longer, dangling sleeves, the master's degree; and fuller, round sleeves the doctorate.

The gown worn by those who have earned a doctorate is faced with velvet and has three bars of the same material across the sleeves; the facing and bars can be black, blue, or a color matching the field in which the degree is earned.

Hoods are lined with the colors of the school granting the degree. The velvet border of the hood indicates the discipline. The hood for the doctorate has distinguishing panels and is longer than that for the master's degree. Hoods are not usually worn for the bachelor's or associate degrees at UMGC.

Bachelor's degree recipients who have earned honors for outstanding scholarship wear cords as part of their academic regalia—gold for *summa cum laude*, blue for *magna cum laude*, and white for *cum laude*. These honors are awarded to students at UMGC with a grade point average of 3.800 and higher.

The standard cap is the mortarboard, which is usually the same color as the gown. At UMGC, tassels worn by candidates for degrees below the doctoral level are worn on the right and are moved—with great fanfare—to the left at the end of the ceremony.

The regalia worn by the university president is uniquely designed for each institution. Presidential robes have four bars of velvet across the sleeves, generally piped in a contrasting color, and may have velvet panels down the front. The UMGC president's gown is red with black velvet facing and gold piping to represent the university's colors.

THE COLORS ASSOCIATED WITH THE ACADEMIC DISCIPLINES★

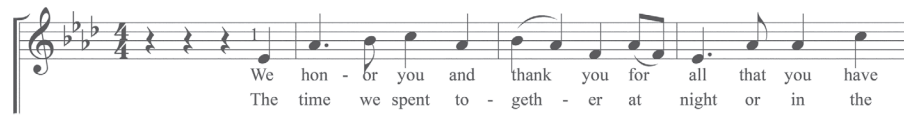

Agriculture	Maize	Law	Purple
Arts	White	Library Science	Lemon
Humanities	White	Medicine	Green
Letters	White	Music	Pink
Accountancy	Drab	Nursing	Apricot
Business	Drab	Oratory	Silver Gray
Commerce	Drab	Pharmacy	Olive Green
Dentistry	Lilac	Philosophy	Dark Blue
Economics	Copper	Physical Education	Sage Green
Education	Light Blue	Foreign Service	Peacock Blue
Engineering	Orange	Public Health	Salmon Pink
Architecture	Brown	Science	Golden Yellow
Fine Arts	Brown	Social Work	Citron
Forestry	Russet	Theology	Scarlet
Journalism	Crimson	Veterinary Science	Gray

UMGC Alma Mater

UMGC was established in 1947 specifically to serve the educational needs of adult students, many of them veterans returning from World War II. That commitment continued as UMGC first sent faculty overseas to teach active-duty military personnel in Europe in 1949 and in Asia in 1956. That mission guides us to this day.

Our Alma Mater, by faculty member Susan C. Malone, commemorates and celebrates UMGC's unique culture and mission.

Dear Member of the Class of 2021!

Congratulations on earning your degree and achieving a remarkable milestone that can be attributed to your dedication, strength, and perseverance. As you embark on the next phase of your life, know that you are one of more than 254,000 UMGC alumni worldwide.

Now it is my honor to personally welcome you to the University of Maryland Global Campus (UMGC) Alumni Association. Our UMGC Alumni Association represents a diverse group of working professionals who, like you, are actively contributing to our professions, our communities, and our nation.

Joining the UMGC Alumni Association allows you to continue your learning through professional development, networking opportunities, and more. Your lifetime membership is complimentary, and you will receive information about exciting webinars, activities, programs, benefits, and services. Follow us on LinkedIn, Facebook, and Twitter to receive timely updates on UMGC news and alumni initiatives. Please visit alumni.umgc.edu for more information.

Again, I congratulate and personally welcome you into the global UMGC Alumni Association. I hope you continue to use your energy and enthusiasm to make a greater impact on the UMGC alumni community.

Stay connected!

Sincerely,

Robert Alonso Jr. '08
President
UMGC Alumni Association
